Mercury-Free Declaration

Mercury is a naturally occurring element that is found in materials and chemicals at trace levels. For this reason, Rugged Science, LLC defines “mercury-free” as not having mercury at concentrations greater than 0.1% by weight corresponding to the limit established by EU Directive 2015/863 (RoHS).

Rugged Science, LLC hereby confirms that to the best of our knowledge, information and belief, any product, assembly or sub-assembly sold by Rugged Science, LLC is mercury-free. Products, assemblies or sub-assemblies sold by Rugged Science, LLC do not intentionally contain mercury or mercury compounds. Furthermore, we do not intentionally use mercury or mercury compounds in our manufacturing process.

Gregory B. Senft

Director of Manufacturing Quality
